Where was Sybil on the night of the  
Great Wedding Anniversary Disaster?

Exactly which guest is sleeping in which bedroom?

What is a Waldorf salad?

Who stole £75 from Mrs Richards?

Will Manuel ever understand Basil ?  
And will Basil ever understand Manuel ?

All this and much more, must be sorted out by the  
stressed and irascible Basil Fawlty, his domineering  
wife Sybil and long suffering staff.

Running a hotel in Torquay is just not that easy!

Hilarious, manic humour at its best!
